## President's Message

### Greetings:

Well here we are, spring is just about over and summer is around the corner. We have already participated in two tours and a trip to Carlisle and 2 parades, Bensalem and Croydon . In June, starting on the 6th we have the Strawberry Festival in Rockledge at Holy Nativity Church. On June 12th we have a drive in movie at Joe Chamberlain's house. And on June 25th car show at Attleboro nursing home in Langhorne. Keep your cars tuned up for a busy summer. See you on June 4th at the meeting and bring your cars if the weather is right. All the best.

**Ted**

## Editor's Message

### Hello:

The busy season is upon us. We've already had some great events this year. We've been trying to get photos of our cars at our club events but cannot attend everything. If you are able to get photos, I would appreciate if you could send them to me for the newsletter. Snail mail hard copies or emailed digital copies, whichever is easiest. I can scan and return originals if desired. Please get in touch with me if you have some for the newsletter. They do not need to be perfect. I can crop, edit, etc. on the computer.

See you on the 4th!

**Jim**

## An Early Car Wash

This View, Looking Down on the Automobile Washbowl, Gives a Good Idea of the General Arrangements. Gently Sloping Ramps at Either Side Permit Easy Entrance and Exit. Below: Automobiles Driving around the Bowl at a Speed of 10 to 12 Miles per Hour and Shaken by the Corrugations in the Bottom of the Pool, Soon Wash the Mud from the Running Gear

It looks like you would then drive into one of the stalls and finish the cleaning, I suppose with a hose and a hand brush.

Below is a "downtown" car washbowl.

I wonder how many motors drowned out by going too fast and splashing water up by the fan belt?
