President's Message

Greetings:

This past month was a busy one for our club. We participated in "Days of Our Past" in Washington Crossing New Jersey which had steam engines, tractors, hit and miss engines and a great flea market. At our Model A Day picnic, we had a great turnout, good food and fellowship. Our Club Banquet at the Station House Restaurant, with 55 members and guests, great food and a good time was had by all. On a sad note the passing of Bob Kehan. A life member of our club who joined in 1982. His friendship, Model A knowledge and good humor will surely be missed. I am very proud of our club and the turnout at Bob's funeral. Well it's been almost 2 years that I have been your president; I have thoroughly enjoyed the part that I played and the time spent doing it. I could not have done it without the help and support of the membership and I thank you for that.

All the best,

Ted

**HEADRESTS IN CARS - WHO KNEW?
THIS IS SOMETHING THAT ALL DRIVERS
AND PASSENGERS SHOULD KNOW!**

Submitted by Steve Organ

⚠️ The headrest of car seats is deliberately kept detachable and sharp so that it could be used to break open the glass of car in case of fire and emergency. The car's glass too are kept easily breakable from inside. Very few people know about it and thus can't save themselves in case of emergencies.

Please share it with as many possible and educate.
